NOVEMBER Newsletter

IMPORTANT INFO:

Welcome to November! We're embracing new learning adventures in our classrooms. Your children are doing a wonderful job, and I'm so proud of their hard work and growing independence.

- Make sure to send snacks for Aftercare and remind your child to not share due to allergies
- Please also speak with your child as there have been a few kids trying to take other student's snacks
- December 11th we will have a winter social with the students and families from 4:30pm-6pm with crafts, games, and snacks in the cafeteria.

Thank you for your fantastic support and partnership with the events we've had so far and for your patience during dismissal.
