

7 Reasons why YOU should be in Student Council...

By: Danielle Brown, Student Council President

1. Fundraisers –We put the FUN in FUNdraisers! You may already know that we do fundraisers like grams, the holiday shoppe, spring shoppe, and much more! We love raising money while having fun and would be thrilled if you could help!
2. Involvement – Getting involved with your community and school make a great difference. We do a lot for the community like writing veteran’s card, PB & J athon, and much more. For the school we plan tons of exciting events like Talent show, Game nights, Culture fair, etc. Even ONE person can make an impact on the world and you’ll feel good doing it!
3. Project Books – Project books are an amazing way we showcase all of the incredible activities/events we host. They are like mini scrapbooks we create with goals, a summary of the project, planning bullets, along with photos and captions from the event. We have won several awards competing against middle and high schools in the whole state of Florida using these books!
4. Trips – In Student Council we have the unique opportunity to attend monthly meetings at a county and district level as well as a few weekend trips to enhance our leadership skills and network with other middle and high schools leaders across the state through; motivational speakers, workshops, service projects, etc. If you ask members what their favorite trip is, they’ll more than likely say states! This is the Florida Association of Student Councils’ state convention! We look forward to it all year!
5. Something New – If you were new to the school or want to do something different then here it is! Student Council puts you in a responsible and trustworthy environment. Here in Student Council everyone is nice, considerate, and listens to your ideas with an open mind. You have so many opportunities to grow as a person and a leader whether it be taking on a chair position, being on a committee, etc.

6. Banquet – Banquet is bittersweet. At the end of every school year, Student Council hosts a banquet for members, their families, and special staff members. We say farewell to the 8th graders, dress up, enjoy a delicious dinner, music, awards, and reminisce on the fabulous year we had.
7. The Family – In Student Council we are a family. You may even people you never seen before, and become best friends with them. It is a place that is accepting and allows you to have a home away from home. You get what you put into it so if you choose to be involved and spend lots of time with us, you will reap so many one of a kind benefits you won't get anywhere else!

If you want more information, reach out to a past or present Student Council member or our incredible advisor Mrs. Principe. We'd love to have you join our family and hope you have a better idea of what we are all about! 😊
