

Drumline

Are you always hitting things? While you're working, walking or even in your sleep?
Are you always making beats and driving everyone else around you crazy?
Then join our Franklin Academy Drumline Club. We need strong drummers to help us get on the beat.

The Franklin Academy Drumline is open to students from grades 2-8. The goal is to learn proper drumming technique, learn to read rhythms, learned tuned and untuned percussion instruments and have fun! We will hopefully be performing at concerts and school sporting events.
