

Dear Parents/Guardians,

On behalf of the entire Franklin Academy Administration, I would like to congratulate your child on being selected to be part of a team (Soccer, Volleyball, Basketball, Golf, and /or Flag Football) during the 2018-2019 athletic season here at Franklin Academy. By now, you should have received and returned the athletic contract, with signatures from both your child. The athletic contract will stay on file with the school. This letter is also to inform you of our sports participation fee. **We have contracted our buses, uniform company, and referees. The fee will be \$150.00 per athlete for the entire season for each individual sport.** This fee will cover uniform rentals, transportation, referees and an end of year awards. Please make checks payable to Franklin Academy. Once an athlete participates in the first practice this fee will be non-refundable. Also, please print the athletes name and grade on the check/money order. If a student loses a uniform, you will be required to pay for the replacement. We look forward to another successful soccer season here at Franklin Academy.

Thank you for your support and Go Falcons!
