

Family engagement is strong at Franklin Academy,  
yet we'd like to make it even better and  
make sure our programs meet the needs of  
families, students, teachers, and administration.

You can help us form a better partnership between school  
and home by answering questions  
on the attached Title I Parent and Family Engagement Survey.

LINK: Provided Below

You can also text the word “survey 5037” to 954.388.8846

If you have any questions about current  
family-engagement opportunities,  
please contact your child's teacher.
