Ideally, all of our students would come to school with all of these items to make sure they have everything they need for the year. We do understand that at times this is not possible and will do our best to supplement supplies for students who face a financial hardship.

Supplies should be dropped off in your child's homeroom during Meet the Teacher (August 10th and 11th- Details to come) or on the first day of school.

Please keep in mind individual teachers may request additional materials for their classes. Teachers also have additional wish list items that will be communicated during Open House and Meet the Teacher.

Extra general classroom supplies (tissues, wipes, paper towels, markers, crayons, etc.) are always appreciated by Special Area teachers (electives and support personnel).

Incoming Middle School Students

- Middle School is an excellent opportunity for students to learn and develop their personal organization style. Some flexibility will be allowed, but students must learn to organize themselves efficiently and replenish their personal supplies as needed.
- Sharpies and other permanent markers are strictly prohibited.
- All middle school students will have PE. PE uniforms must be purchased through iUniform. It is recommended that students keep non-aerosol deodorant in their backpacks.

The following supplies do not need to be labeled with the student's name and will be distributed for use throughout the middle school classrooms.
