

ARE YOU INTERESTED IN BECOMING A ROOM PARENT?

WHAT WOULD MY RESPONSIBILITIES BE? Room Parents are the liaisons between teachers and families. It is a rewarding job that lets you improve the experience of your child and their classmates. Some teachers may want a lot of help (or very little); asking your teachers or talking to your PTO Room Parent Coordinator are good ways to learn what's expected of you as a Room Parent. But all Room Parents share some things in common: a desire to pitch in, great organizational and communication skills, and the time, energy, and enthusiasm for helping out in a hands-on way. Here are some things you may be asked to do:

- Communicate with all of the parents (emailing, texting, and sometimes calling)
- Meet with your teacher at the beginning of the year to find out their needs and wishes
- Plan and organize class events/parties
- Recruit other parent volunteers
- Solicit and collect supply donations
- Organize appreciations and gifts
- Share your knowledge and experience with other incoming room parents

IMPORTANT NOTE: As a Room Parent, you don't have to do it all! Know that many classes have two Room Parents to share the responsibilities. You will have the support of other room parents and your PTO Room Parent Coordinator. Other parents in the class are also eager to help. Being a room parent is fun and a great way to make lasting friendships with other Franklin Families!

HOW DO I SIGN UP? Please turn in your completed form to your homeroom teacher. PTO will be actively seeking volunteers during the first two weeks of school. We expect to have most spots filled by the first PTO meeting, which is scheduled for 8/29 at 6PM in the cafeteria. We will communicate with you along the way to let you know if you've been selected. Please feel free to contact PTO Vice President Tonja Ewing-Gomez via text or call at 561-512-9724 with any questions.

Parent Name: _____

Cell Phone: _____ Email : _____

Student Name: _____ Grade: _____

Teacher Name: _____

Please note, if you are interested in becoming a room parent for more than one child, please complete a separate form for each child or include the additional student/grade/teacher information below:
