From Your Athletic Director, Alex Amadeo  
([amadeo.alex@franklin-academy.org](mailto:amadeo.alex@franklin-academy.org))

We are so excited about going into our third year in Golden Panther Athletics! We are now an FHSAA (Florida High School Athletic Association) member school which is an amazing accomplishment in just our third year of athletics. Having an FHSAA certification will allow Franklin Academy High School to compete in District, Regional and State championships! Being

a member of the FHSAA also ensures organized play, insurance for each school that competes, and fully certified and licensed referees to keep our student athletes safe. This also ensures fair play at all times. The middle school sports will continue with the MSAA (Middle School Athletic Association).

Tryouts for the following Fall sports will begin within the first two weeks of school:

1. Varsity Boys and Girls Cross Country – Coach Tim Harrington and Coach Sally Ryan O'Donnell
2. Girls Volleyball – Coach Ray Garcia and Coach Kelly Dantas – Mcfarlane
3. Middle School Boys and Girls Soccer – Coach Amadeo (The tryout times will be announced Aug 15th when the student athletes return to school).

The FHSAA and the MSAA require all students to have both a physical and a consent form on file before the student tries out for any sport. All physicals last one full school year. Physicals can also be conveniently completed at a Care Center Walgreens or at a Walk in clinic. If your child is interested in trying out, please get this done!

Lastly, as you know, this year we will be graduating our first graduating class of 2019! My goal as Athletic Director, alongside my coaching staff, is to ensure that each senior with high athletic abilities has local and national colleges contacted so that they have a very good chance at athletic scholarships! Thank you and I am looking forward to another amazing year.
