

2025-2026 Qtr. 1 Club Descriptions

Club Name:	Moderator(s)	Day	Grade Levels:	Club Description
Princess Club	Ms. Poveda	Monday	K-2	All things Princess. Princess crafts, slime, self care, dance, games and more. Our Mini Princesses can even dress up in their favorite Princess Dresses.
Soccer	Mr. Carnaggie / Ms. Brock	Monday	K-5	Let your child kick-start their passion for soccer! Our Soccer Club focuses on skill-building, teamwork, and sportsmanship in a supportive and energetic environment.
Diamond Painting	Ms. Valez	Monday	3rd-5th Grade	The Diamond Painting club is a club for the students who have a creative side and students who want to explore art using a different medium. Diamond Painting allows students to create mosaics using a paint-by-number system, with the numbers corresponding to its colored "diamond". The process of attaching the diamond to the sticky canvas will also help exercise a student's fine motor skills.
Origami	Mr. Lobodzinski	Monday	3rd-5th & MYP	I want children to be able to creatively express themselves through the Japanese art form of folding paper known as origami.
Paging Panthers	Mr. Smiley	Monday	5th & MYP	In this club, students will explore creative writing with a focus on poetry and songwriting. Students will write pieces in the genre of their choice (including the two above, and long and short fiction and nonfiction). Two goals are for students to enter writing contests and to have one or two public readings at the school (like a poetry cafe').

Five-A-Side Soccer	Mr. Diaz	Monday	MYP	5-a-side soccer is a variation of the traditional 11-a-side game. It involves teams of five players (four outfield players and a goalkeeper) and is played on a smaller grass pitch with smaller goals, similar in size to those used in futsal. However, unlike indoor futsal, the matches take place outdoors on grass, giving students a hybrid experience of skill-focused soccer in a natural environment.
Lego Club	Ms. Poveda	Tuesday	K-5	Build and play Legos with Friends. Kids can work independently or in pairs to build Lego Sets or do Free Build Lego Masterpieces.
Kickball & More	Ms. Beaumariage	Tuesday	K-5	Kickball and other organized games teaches more than just how to play—it builds character. Through motivation, discipline, and hard work, students will develop confidence, learn to support one another, and push themselves to be their best.
Cooking Club	Ms. Hammad & Ms. Espana	Tuesday	K-5	Students will be able to learn how to cook simple bakery snacks and foods requiring little to no supervision. Students will learn the art of cooking, bringing peers together schoolwide for the love of food.
Double Six Dominos	Mr. Swaine	Tuesday	MYP	Play dominoes and learn to plan and strategize. Also learn to communicate by picking up on non verbal cues, and keeping track of numbers while learning a little bit of combinatorics
First Priority Club	Mr. King / Mr. Olubunmi	Tuesday	MYP	First Priority is a free Christian student-led club. It's a safe place where students can come together to talk about faith, encourage each other, pray, and learn more about how to live out Christian values and positively influence school culture.

Lingo Lab	Ms. Newbold	Wednesday	K-5	From pretend play to powerful conversations, join us as we explore the magic of words! Build vocabulary, make new friends, and become a sentence superstar — all while having fun! The Club will help encourage communication and teach social skills.
Diamond Painting	Ms. Valez	Wednesday	3rd-5th	The Diamond Painting club is a club for the students who have a creative side and students who want to explore art using a different medium. Diamond Painting allows students to create mosaics using a paint-by-number system, with the numbers corresponding to its colored “diamond”.
