

2025-2026 Qtr. 4 Club Descriptions				
Club Name:	Moderator(s)		Grade Levels:	Club Description
Princess Club	Ms. Poveda	Monday	K-2	All things Princess. Princess crafts, slime, self care, dance, games and more. Our Mini Princesses can even dress up in their favorite Princess Dresses.
Soccer	Ms. Brock	Monday	K-5	Let your child kick-start their passion for soccer! Our Soccer Club focuses on skill-building, teamwork, and sportsmanship in a supportive and energetic environment.
Lego Club	Ms. Poveda	Tuesday	K-5	Build and Play Legos with Friends. Kids work independently or in pairs to build Lego Sets or to Free Build Legos Masterpieces.
Cooking Club	Ms. Hammad	Tuesday	K-5	Students will be able to learn how to cook simple bakery snacks and foods requiring little to no supervision. Students will learn the art of cooking, bringing peers together schoolwide for the love of food.
Adventure Club	Ms. Vitale	Wednesday	3,4,5,MYP	The Adventure Club is a fun after-school club where students can enjoy games, group walks, outdoor activities, and creative projects all while taking in fresh air! Students may participate in outdoor games, simple arts and crafts, hands-on science activities, and explore the outdoors with their friends. If the weather isn't great, we will move indoors for a movie, board games, or another fun activity together. It's all about having fun, exploring, and spending time with friends!
English Language Learning	Ms. Garcia	Tuesday	K-5	This Club is a supportive and fun space for Spanish-speaking students who want to improve their English skills. Students will receive homework support/extra help with school assignments. We will also read and play interactive games that help build vocabulary and confidence while learning English.

First Priority Club	Mrs. Olunmi King	Tuesday	MYP	First Priority is a free Christian student-led club. It's a safe place where students can come together to talk about faith, encourage each other, pray, and learn more about how to live out Christian values and positively influence school culture. *MORNING CLUB*
English Language Learning	Ms. Garcia	Thursday	6-8	This Club is a supportive and fun space for Spanish-speaking students who want to improve their English skills. Students will receive homework support/extra help with school assignments. We will also read and play interactive games that help build vocabulary and confidence while learning English.
Fitness & Fun (Outside Games)	Ms. Poveda	Wednesday	K-5	Lets have fun and get fit together. This club will be a fun exercising club with various games and activities designed to get the body moving.
Diamond Painting	Ms. Velez	Wednesday	5th	The Diamond Painting club is a club for the students who have a creative side and students who want to explore art using a different medium. Diamond Painting allows students to create mosaics using a paint-by-number system, with the numbers corresponding to its colored "diamond". The process of attaching the diamond to the sticky canvas will also help exercise a student's fine motor skills.
Book Club	Mrs. Hernandez	Monday	3,4,5,MYP	Students gather to read, discuss, and enjoy books together while building friendships and confidence in their ideas. Each session blends reading with interactive activities that spark creativity and critical thinking. The club's goals are to foster a lifelong love of reading, strengthen comprehension and communication skills, encourage teamwork and respectful dialogue, and provide a safe, supportive environment for self-expression.
Skate Club	Ms. Poveda	Thursday	K-5	

Cards & Krackens	Mr. Castellanos	Thursday	5th & MYP	Join fellow adventurers as you create characters, solve mysteries, and conquer challenges in a world limited only by your imagination. Students will enjoy playing Dungeons and Dragons as well as popular trading card games like Pokemon or Magic the Gathering.
Volleyball	Coach Van Rossen	Tuesday	4th & 5th	This sports club is focused on supporting students in developing their volleyball skills to participate in High School athletic programs.
Slime Club	Ms. Obeid	Wednesday	K-5	Make and play with slime. Students will enjoy making slime from scratch with friends in this fun afterschool club.
Basketball Club	Mr. Carnaggie	Thursday	3rd-8th	Students will learn the fundamental principles of basketball, including individual techniques and team-oriented skills, while also promoting physical fitness and overall student health
