The rules apply to all activities occurring on school grounds, on other sites being used for school activities, and on any vehicles authorized to transport students. Your signature below does not indicate that you agree or disagree with the rules, **but rather that you have reviewed the electronic copy of these rules** (<http://www.browardschools.com/codeofconduct>). Return this form to school within 3 days from the first day of school or from the date of enrollment. If you would prefer to complete all required forms electronically, please access the Back to School Toolkit (<https://www.browardschools.com/backtoschool>).

Parents need to be involved in the education of their children and have the responsibility to:

- Know that for school safety, schools are not required to provide supervision more than 30 minutes prior to the official starting time, nor are they required to provide supervision for more than 30 minutes after the official closing time (F.S. 1003.31 (2)).
- Know that for school safety, for students who ride a school bus, drivers are NOT permitted to let students off the bus except at the designated stop.
- Provide the school with the names of current emergency contact person(s) and/or telephone numbers on an annual basis and when there are changes.
- Notify the school of anything that may affect their child's ability to learn, to attend school regularly, or to take part in school activities.
- Be aware that medicine must be administered in accordance with SB Policy 6305 and 6305.1, as may be amended, and that consequences for transmittal and/or sale or attempted sale of over-the-counter medications and possession and/or use of unauthorized medications can be found in SB Policy 5006. SB Policy 6305 outlines the rules regarding over-the-counter and prescription drugs and SB Policy 5006 outlines the consequences for violating those rules. You may view the complete health and suspension and/or expulsion policies, as well as all School Board policies, on the Web at: <http://www.Broward.k12.fl.us/sbbcpolicies>
- Be aware that parents have rights with regard to the privacy and confidentiality of student records that are maintained by schools as defined in Section VIII of this booklet.
- Neither the School Board of Broward County nor its employees will be held liable for items that are prohibited and are lost, stolen, or confiscated; or for wireless communication devices or other personal technology that are lost, stolen, or confiscated.
- Be aware that confiscated items not claimed by the end of the school year will be donated to local charities.
- Recognize that they are responsible for their student's behavior on the way to and from school and at the bus stop. A safe and respectful learning environment is key to academic achievement; therefore any student's off campus actions that seriously affect a student's ability to learn or a staff member's ability to teach may be handled as a disciplinary infraction. For serious incidents that occur at bus stops and/or that are not on School Board property, parents should contact law enforcement directly. For bullying incidents (see bullying definition, Section II), school officials should be notified and will investigate and/or provide assistance and intervention, as the principal/designee deems appropriate, which may include the use of the School Resource Officer.
- Ensure their child demonstrates legal, ethical and responsible use of technology including networks, digital tools, the Internet, and software, as defined in Section IV of this booklet.
- Parents will continue to maintain responsibility for students who reach the age of majority, (18 years or older), for all educational and discipline purposes, with exceptions as provided by statute.

Note: Parental selection for each form within the Code of Student Conduct will be effective until a new form is submitted.

Policy 5315, Family Life/Human Sexuality, states in part:

"It is essential that a universal comprehensive sexual health curriculum that follows the National Sexuality Education Standards be in place in order to make certain every student receives the same quality information necessary to support their education and live a healthy life."

Broward County Public Schools respects the rights of parents and their role in the education of their children. According to F.S. 1003.42(3), "Any student whose parent makes written request to the school principal shall be exempt from the teaching of reproductive health or any disease, including HIV/AIDS, its symptoms, development, and treatment. A student so exempted may not be penalized by reason of that exemption."

Only if you wish for your child to be excused from attending this course, should you complete the form below and return it to the school. Your child will then be scheduled into an alternative assignment during the Family Life/Human Sexuality lessons.

We appreciate your interest and cooperation in the implementation of our Comprehensive Health Education Program.
