- **You must use latex exterior paint (water based).**

**UNAPPROVED PAINTS: ✓ No oil based paints ✓ No reflective paint ✓ No spray paint ✓
No fluorescent paint ✓ No paint sprayers ✓ No clear coat**

- Do not use "Striping Paint" or any other "Raised" paint or Roofing Tar – it either peels up or is difficult to paint over next year.
- Consider sharing paint with a friend.
- It is a good idea to bring chalk map out your design on the concrete before you begin painting.
- A towel or stadium seat

What about a design?

- Your design must be school appropriate; it cannot be in poor taste, lewd, obscene, or project a message of hate or intolerance. No business advertisements. No offensive language, pictures, or symbols. No negative or rude language.
- Violation of these rules may result in the repossession of your parking spot.
- You must paint inside the lines, and leave approximately 4 inches of unpainted border.
- Do not paint on the lines or the spot number stenciled on your parking spot.
- If you would like to collaborate with the students on one or both sides of you to create one continuous design, that is allowed, but please do not paint on the lines separating the parking spots.
- Search online for appropriate ideas and inspiration ("Senior Parking Painting Ideas").

Please provide a sketch of your design for approval. All wheel stop painting **MUST** be pre-approved by admin.
