

# National Bullying Prevention Month

THE GOAL IS TO ENCOURAGE SCHOOLS, COMMUNITIES, AND ORGANIZATIONS TO WORK TOGETHER IN PERSON, OR FROM AFAR, TO STOP BULLYING AND CYBERBULLYING **BY INCREASING AWARENESS OF ITS IMPACT** ON CHILDREN OF ALL AGES.

## THE WEEK OF OCTOBER 5TH MAKE FRIENDS WITH SOMEONE YOU DON'T KNOW

Encourage students to be **leaders** and make friends with someone at school who they don't know. Everyone needs to take action to make sure that no one is isolated, even from afar.

## THE WEEK OF OCTOBER 12TH STAND UP FOR OTHERS

Educate students on what it is to be an **UPSTANDER** - to be brave and **STAND UP** for those being bullied. Teach them how to be a part of the solution -- not the problem!

## THE WEEK OF OCTOBER 19TH WEEK OF INCLUSION

Empower students to include others - even from afar - by letting them know that they have your support, and that there are people/agencies **they can reach out to** if they ever need to talk.

## THE WEEK OF OCTOBER 26TH START THE CONVERSATION AMONGST YOUR PEERS

Facilitate open discussion, or expression, in your classroom about their experiences of bullying - **how these experiences have affected them** and how they've personally dealt with these moments.

Your Counselors will be visiting classrooms this month to discuss awareness and prevention strategies with our students.

It's time to make a difference and change the culture!
