

2021-22

Franklin Academy Pembroke Pines Blvd K-8

Welcome back, SLA Families!

SLA is ready to provide your school community with an exceptional Café dining experience for the 2021-22 school year. As we begin transitioning back toward normal service, we look forward to offering your children healthy, delicious meal options in a safe and clean environment.

What's New to SLA This Year?

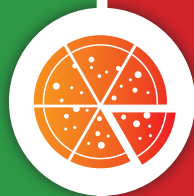

Trade in Your Tray for a Bowl

We are introducing an entire line of Bowl Recipes to our menu this year. There will be a variety of options available like our Fajita Chicken Bowl and BBQ Korean Pork Bowl, to name a couple. Our Three Bean Burrito Bowl is available as a vegetarian option as well. Keep an eye out on the menu, and during National School Lunch Week, to explore the Bowl Recipes offered at your Café!

Fresh Out the Oven

Our pizza is rising to the next level, quite literally! After receiving positive feedback from several of our schools, we're introducing a new self-rising pizza crust at all of our Cafés. You can expect an airy texture and artisan flavor in every bite.

Checking Off Another Green Box

As part of our continued efforts through the SLA Green Apple Initiative, we are proud to announce we are entering this school year with 100% Styrofoam-free Cafés. We have seen great success with the implementation of biodegradable trays these past few years and are thrilled to reach this new eco-friendly benchmark.

ACCESS YOUR SLA CAFÉ HUB®
