Mission Statement

"Utilizing an intercultural-mindedness model and a standards-based curriculum, the mission of Franklin Academy is to create compassionate, engaged, life-long learners by promoting a culture of collaboration and high expectations that emphasizes character development through active service in the local, national and international community, while adhering to the principle that all children can learn."

Engagement of Parents and Families

Franklin Academy will engage parents in an organized, ongoing, and timely manner, in the planning, review, and improvement of programs this part, including the planning, review, and improvement of the school parent and family engagement policy and the joint development of the schoolwide program plan under section 1114(b) except that if a school's program is exempt from statutory or regulatory provisions, the school may use that process, if such process includes an adequate representation of parents of participating children [Sections: 116 (c) (3), 1114 (b) (2), and 1116(a) (2) (B)].

The goal of this plan is to describe how Franklin Academy will provide opportunities to improve parent engagement to support student learning.
