### Specials

This year, our 5<sup>th</sup> grade scholars will have the following educators: a Mathematics educator, a Science educator, and an ELA/SS educator. The PowerSchool Schedule will indicate the names of each educator.

Your child will follow the schedule listed on the left throughout the school day and transition, when appropriate, to each educator's classroom.

Specials is on a monthly rotation. You will know your child's specials class on the Specials Rotation Calendar found on our school website.

Students with a [5<sup>th</sup> Grade Math Homeroom](#) will be going to specials with their Science educator. Locate your child's Science educator on the rotation calendar to know their specials each month.

Ex: If your child's Science educator is Ms. Barto, they will have Art for the months of August & September.
