Specials

This year, our 5th grade scholars will have the following educators: a Mathematics educator, a Science educator, and an ELA/SS educator. The PowerSchool Schedule will indicate the names of each educator.

Your child will follow the schedule listed on the left throughout the school day and transition, when appropriate, to each educator's classroom.

Specials is on a monthly rotation. You will know your child's specials class on the Specials Rotation Calendar found on our school website.

Students with a [5th Grade Science Homeroom](#) will be going to specials with their Math educator. Locate your child's Math educator on the rotation calendar to know their specials each month.

Ex: If your child's Math educator is Mr. Mondejar, they will have Media for the months of August & September.
