Zorilo, Vicky	218	Mindful Minds Club	Mindful Minds is a mental health club in which middle school students are able to have a safe place to discuss life. Similar to my all girls club, Las Hermanas, Mindful Minds will be a club for both boys and girls to come together and talk about what they may be going through or what they may need advice on. It is my vision to help these teens use their voice by sharing their issues and building their confidence as they find their identity. We will also cover mental health topics that may be relevant to the subjects discussed during club. Hope to see you there!	Other	Mondays	6th - 8th Grade 3:50PM - 5:00PM	mindfulness_club.docx

Zorilo, Vicky	218	Las Hermanas	Las Hermanas is club made specifically FOR THE GIRLS . This club was made to give the young MYP ladies of Franklin a safe space to talk about life. We will discuss what they daydream about as well as any issues they may be dealing with that they may need advice on. In Las Hermanas, ladies are encouraged to speak up, feel heard, and be understood. Self-esteem rise with each session as we cover mental health topics that may be relevant to the subjects discussed during club as well as the girls cultivating a sense of community amongst the bonds that will be formed during our sessions. As the old saying goes, "Confidence builds competence", which is the purpose behind the creation of this club. Hope to see you there!
