

As part of our rigorous academic program at Franklin Academy, all students entering 2<sup>nd</sup>- 8<sup>th</sup> grade, are required to participate in our *Summer Read and Respond Challenge*. Each student must read and respond to at least **two books** from the Sunshine State Young Readers Awards summer booklist.

Teachers will be communicating with families within the first 2 weeks of school in *how they will be collecting these projects to ensure that safety protocols are met.*

**For each book that is read**, the student (incoming 2<sup>nd</sup>- 8<sup>th</sup> grader) is required to complete one activity for each book, and they must make sure to select their choices from different categories. There are six different categories: Oral, Kinesthetic, Written, Visual, Graphic, and Technological. Students may **not** select more than one activity from each of these category. The types of activities and explanations of each are included for your reference. The documents should all be put into a folder.

### **Presentation**

1. Place all documents, if applicable, into a presentation folder (two activities).
2. Include a title page for each book selected and include an illustration on each title page.
