

Good Morning MYP Franklin Families,

We want to ensure clear communication in regards to grading in Quarter 4 as we are utilizing our virtual learning platform.

Quarter 4 grades are being collected through the use of assignments posted in each educator's Google Classroom. Each assignment is aligned to the recorded lesson posted

Your child will see 2 lessons and 2 assignments posted for each MYP course throughout the week.

The following chart will guide your child with which lessons/assignments they will see posted on which day of the week.

Monday	Tuesday	Wednesday	Thursday	Friday
Language & Literature	Sciences and Design	Individuals & Societies and The Arts	Mathematics	Physical & Health Education, Language Acquisition, Intensive Math, and Intensive Reading

Ensure your child is viewing the recorded lesson and any additional resources posted, prior to completing the assignment.

Please assist us in reminding your child the following:

- To always try their best on each assignment by utilizing the recorded lessons and additional resources posted by each education.
- Each assignment will be **graded** and **posted** in PowerSchool for review within 72 hours of the due date.
- Each graded assignment will play a **significant role** in determining their promotion to the next grade level.
- Each educator will be posting the Late Work Policy, as per our Parent/Student Handbook, in their Google Classroom for their review and utilizing the policy for any assignment turned in late assigned in Week 2 and moving forward.
- To continue checking PowerSchool throughout each week to see their progress in each course.

Sincerely,

**Shaina Dillman**

*Assistant Principal*
