

Good Evening Franklin Families,

We want to clarify the model of Virtual Learning for our Franklin Academy scholars, which will be launching on March 30th. The model of virtual learning we will be launching on March 30th is a flexible model. Each lesson is pre-recorded and posted on Google Classroom. The lessons each day are not LIVE sessions.

Your child will login daily to check for lessons and assignments. However, there is not a specific time your child must login to Google Classroom to view the lessons and assignments.

Our educators will be posting assignments to complete the first week, starting on March 30th with extended due dates to allow for families to gain access to the virtual platform of Google Classroom through Clever.

We understand there will be login concerns and troubleshooting occurring during the first two weeks as this is a new experience for all of our families and our staff.

Your child can view lessons at anytime each day. Google Classroom does not place restrictions on when your child can login. Your child can watch and re-watch lessons posted on Google Classroom as often as they please, as well as complete assignments posted. Remember, Google Classroom is accessible through Clever.

Therefore, it is feasible to have one computer or laptop per family. Each child can login to Google Classroom at varying times throughout the day and night. Google Classroom is open 24 hrs to your child to view lessons and complete assignments.

The ONLY sessions which will be live daily is each teacher's Virtual Office Hours.

On Saturday March 21st, you will receive an email with the following:

- Virtual Classroom/Office Hours Etiquette for Students and Parents
- Master List of each teachers class codes and Virtual Office Hours
- An instructional video to view to guide you on how to access Google Classroom as a student

Over spring break, the expectation is our scholars to join each of their classes on the platform of Google Classroom, utilizing the class codes they will receive by March 21st.

Continue to check your emails and the school website from Franklin Academy on updates on Virtual Learning. Refer to the FAQ Parent Informational Letter for further guidance on our model of Virtual Learning.

Thank you,

Sergio Delgado Ibáñez
