1:07-1:54 PM	Sixth Period
2:00-2:45 PM	Seventh Period
Starting at 2:45 PM	Dismissal Begins for Live/Flex Scholars

The **expectation in our Franklin Live model is for your child** to arrive between the times of 7:45-8:00 AM to **drop off in the MAIN CARLINE** and follow the steps below.

Exception: MYP scholars with the youngest sibling in Grades 3-5 or in carpools with the youngest scholar in Grades 3-5 will be dropped off in the BUS LOOP.

1. Walk through the **front lobby** to have the ThermoScan take their temperature. *MYP scholars with youngest sibling in Grades 3-5 or in carpools with youngest scholar in Grades 3-5 will walk through the **BUS LOOP entrance** to have the ThermoScan take their temperature.*
2. Once a staff member provides clearance of no fever or COVID related symptoms, your child will walk directly to their HR location. Prior to arriving at their Homeroom location, your child is able to stop by the cafeteria to pick up a **grab and go breakfast**. Breakfast will be eaten in their Homeroom classroom.

Your child is required to report to Homeroom **on time**. **Each scholar will need a device to attend to assignments assigned on our digital platform of Google Classroom and participate in each Google Meet session** throughout the live instruction session. **Equity is crucial** during these times where our educators will be educating one or all of the three models during each assigned period.

- o Attendance will continue to be document through PowerSchool for you to review upon logging into the PowerSchool Parent Portal or receiving the notification from PowerSchool.
- o *The **ONLY times in the MYP bell schedule school day where your child can log out is the LUNCH BREAK 30 min, from 12:30 to 1:00 PM.*** During this time, **your child's educator will walk the cohort** to the cafeteria to obtain a hot meal, if desired.

Your child will **remain in their Homeroom location** for the **duration of the school day**.

- Our **MYP educators will transition** per period to provide live instruction to your child. Your child will participate in the live instruction by utilizing the **Google Meet link** located at the top of each assigned educator's Google Classroom to receive **live instruction** and meet the state requirements of instructional learning time.
- **You will receive an email with your child's cohort schedule.** Your child's schedule will be **slightly adjusted** to ensure our scholars are placed in **cohorts** of no more than 13 scholars. Our classrooms have been arranged to provide appropriate separation between each desk/workspace to meet CDC guidelines.
 - o During the passing time (6 or 7 min) per period, your child will **NOT** be required to physically transition to another room. Their MYP educator will meet in their assigned Homeroom location.
